3. Scheduling Meetings

- Current Times where we are all free are:
 - Mondays 12:00 - 1:00pm
 - Saturdays 12:00 - 1:30pm
- At least one of us has to be present in the discussion meetings with the TA
- Any further meetings will be made and schedules when needed, whether with the whole group or with smaller groups

4. General Responsibilities for All Team Members

- Be accountable to the work you have to do
- If there are any issues, be sure to communicate that with the team. We are all here to help each other out and make a great project
 - Further Emphasis: This is a class where we are all here to learn, none of us are experts. There will be confusion and thats all good.

5. Conflict Resolution

- **Communication** is key, be sure to make your issues or worries known
- If there is an issue between two or more team members, try to resolve among each other
- If the issue further escalates, have one of the team leaders be as a impartial mediator
 - Note: if the issue is with team leader, go to next step
- Upon further escalation, meet with TA and work out solutions from there
- We have just 10 weeks in a quarter, so it can and most likely will get stressful. Be sure to be positive with each other to keep small disagreements from being conflicts.
